242 Kodak Advantix C700

Estimated price: \$60

Donated by John Maragos

Intelligent, versatile and ready to capture the moment, Kodak Advantix C700 allows to get sharp close-ups and magnificent wide shots with a 30-60 mm auto zoom lens, and a flip-up flash that helps eliminate red-eye problems. Stamp a date and choose a message for the back of your photo with a print titling feature that knows five languages. The C700's mid-roll film change feature lets you switch cassettes whenever you like-to change film speed or to keep rolls sorted by subject. With this camera, you can also choose a print title from the title-select list and a language before you take a picture. You also have the option to choose an additional title for the entire roll of film. The selected titles will be printed on the back of your prints.

The Kodak C700 comes with a roll of Kodak Advantix color film, battery, coupon book, instructional manual, and detachable camera strap.
